

FUTURE PROBLEM SOLVING PROGRAM AUSTRALIA

FPS Coaching Workshop

This Professional Development training will prepare you to be a Future Problem Solving Coach. Develop your students' analytical, creative, and critical thinking skills, using the six-step FPS process to address real-world problems.

When and Where?

4th April 2023

Wesley College

St Kilda Road, Melbourne, Vic

Who can attend?

- Educators wanting to coach FPS students
- FPS coaches looking to refresh their skills
- Educators seeking a framework to teach and assess problem solving

What will I learn?

- Future Problem Solving basics, FPS in Australia
- The six-step FPS thinking process. This process underpins each of the FPS learning options.
- The opportunity to practice using the six-step problem solving model.
- Coaching strategies.
- Organisation of school and student participation in the FPS program.

What are the benefits of the training?

- Participants gain an in-depth understanding of the Global Issues Problem Solving learning option and have the opportunity to practice the six-step model in a supportive environment.
- Participants acquire a framework for teaching and assessing 21st-century skills.
- Course content meets AITSL standards allowing participants to add up to six hours to their professional accreditation requirements.
- Participants meet other new and experienced FPS coaches providing them with an opportunity to develop networks with those on the same learning path.

What will it cost?

\$290 (Inc GST) per participant. As FPS feels it is beneficial to implement FPS in partnership with another colleague at your school, we offer a discount to the second and third educators registered from your school.

FUTURE PROBLEM SOLVING PROGRAM AUSTRALIA

Opening Doors to Future Problem Solving Professional Development Workshop

Workshop Registration

Register your attendance at <https://fpsp.org.au/Workshops>. Payment for the workshop can be made via credit card at time of registration, or via Tax Invoice sent to the school. Payment for the course must be received prior to attending the workshop.

Please feel free to contact Suzanne or Jenny at hello@fpsp.org.au or call 03 9886 4646 should you have any questions about the workshop or participation in one of the Future Problem Solving learning options.

Terms and Conditions of Workshop

Pandemic restrictions may force us to change the date and or location of the workshop at short notice. Should you be unable to attend the workshop on the revised date, FPS will provide a full refund.

You can transfer the registration to a different person at any time before the date of the workshop. Cancellations can be made at least five working days before the workshop, minus a registration service charge of \$20.00 (GST-inclusive).

Within five days of the workshop, cancellation of registration is subject to the full workshop fee. Please remember that you are still responsible for paying the full workshop fee if you do not cancel or attend. As a not-for-profit organisation, all revenue from our Professional Development courses is reinvested into providing teachers with the resources to become exceptional Future Problem Solving Coaches.

The workshop may be postponed till later in 2023 should minimum attendance numbers not be reached.
