Writing Solutions Checklist

Directions: Use this checklist to guide your writing. It shows what must be included in a relevant, elaborate Future Problem Solving solution.

Future Problem Solving solution	✓ if the solution does this
Clearly addresses the key verb phrase	
Supports the purpose (may be implied)	
Uses “will” instead of “may” or “might”	
Has a reasonable WHO will create/implement the solution	
WHAT action will be taken (in the solution) is clear	
Explains HOW the solution will work	
Explains one of these: WHY the solution solves the key verb phrase WHY the solution supports the purpose WHY the solution solves the underlying problem as a whole
